Monday Session May See Sad Demise of Southern

Monday's meeting of the Southern league baseball magnates will probably hear a long farewell. It is known that several of the local club owners are already sick of their jobs and many of the players are getting nervous to get into the army. There is a spirit about the baseball lot that lacks enthusiasm and interest, and even the fans have a feeling when at a ball game that they should be somewhere else doing something else. President Baugh has called the meeting, but refuses to state for what purpose it is called. However, it is said that some arrangements will be made, if the league is continued, regarding railroad rates, poor attendance, etc. The meeting will be held in Birmingham.

Crackers Fail to Pass First in Friday's Game

Chattanooga easily won yesterday's game. The game was a farce and the cellar ornaments were easily beaten by Zeke Lohman. Not one of them went past first base. Dawson Graham did something he should have been doing all the year—he registered two doubles and a triple, driving in a total of five runs. Now that he has shown he can do it, he ought to be made to repeat. Flagstead put across two hits, as usual. The score ended 8 to 0 in Chattanooga's favor. But the least said about the game is the best, so here's the score:

FLAGSTEAD LOSES PLACE AS LEADER OF SOUTHERN LEAGUE BATTING KINGS

Chapman, of Cleveland, Has Crossed Plate Thirty Times This Year.
Rube Holds Lead—Merkle's Phenomenal Landing Boosts Him From Fifth Place to Second.

Chicago, June 8.—"Babe" Ruth, the stealers, has 20 thefts to his credit. Roush, of Cincinnati, has taken the lead in sacrifice hitting, with 14. Wickland, of Boston, and Cruise, of St. Louis, top the home-run hitters, with 3 each. Benny Kauff, of New York, is leading in scoring, having registered 32 in 40 games. Chicago drove New York out of first place in team batting, with .352. The leading batters are: Doyle, New York, .428; Merkle, Chicago, .376; Smith, Boston, .370; Wickland, Boston, .348; Daubert, Brooklyn, .343; Kauff, New York, .341; Mann, Chicago, .336; Paskert, Chicago, .331; Hollocher, Chicago, .329; Lee Magee, Cincinnati, .320.

Barger, of Memphis, and Palmero, of Little Rock, are tied for batting leadership of the Southern association, with percentages of .400, according to averages including games of Wednesday. Coombs, of Little Rock, and Barbare, of New Orleans, are tied in sacrifice hitting, with 16 apiece. Moran, of Little Rock, continues to top the base stealers with 15. Other leading batters are: Flagstead, Chattanooga, .385; Baker, Nashville, .335; Compton, New Orleans, .325; Hyatt, Little Rock, .309; Distel, Little Rock, .308; Southworth, Birmingham, .307; Cueto, Chattanooga, .306; Bues, Mobile, .305.

Cracking out a dozen hits in the six games boosted Fred Merkle, the Chicago first baseman, from fifth to second place in the list of National league hitters. He is batting .376, 26 points above his average a week ago. Larry Doyle, because of his continued absence from the game, remains at the top with .426. The averages include games of Wednesday. Carey, of Pittsburgh, who is leading the base-

TRAVELERS AND CHICKS TAKE HONORS FOR WEEK

Atlanta Goes Through Without
Winning Game—Crackers'
Visit Saves Lookouts.

Birmingham, Ala., June 8.—Little Rock and Memphis were the feature clubs in the Southern association during the past week. Little Rock finished the week through Friday's games with a clean record of five games played and all of them won. By this feat the Travelers came very near overhauling the fast New Orleans outfit, which has been leading the circuit for many weeks. By winning five out of six games Memphis jumped from sixth place clear out of the second division and landed at the foot of the first section.

For the first time in many weeks New Orleans failed to win a majority of its games. The Pelicans got by with a fifty-fifty break, winning 3 and losing 3, but are still in the lead, although by a very thin margin. Chattanooga, by reason of having the benefit of a series of games with Atlanta, managed to halt their losing streak and got an even break, dividing six games between the lost and

won columns. However, they lost their berth in the first division, and had to take up a new position at the head of the second section.

Nashville had a bad week, only winning two while they were losing three games and fifth place. The Volunteers dropped to sixth place. Birmingham, after losing four straight games, managed to take Friday's game from Nashville, and thereby saved themselves a whitewashing. The Barons seem to be in seventh place for a long stay.

Atlanta's cup of bitterness or humiliation filled to overflowing when the Crackers went through the entire week without winning a game. Any change in Atlanta's condition will necessarily be for the better, if the Crackers can find any consolation in the thought.

President Baugh has called a meeting of Southern association directors in Birmingham Monday for the purpose of discussing the present situation and future outlook of the game in the south. Much interest centers in the meeting.

SAYS IT ACTED LIKE A CHARM

Coughs, colds, sore throat or bronchial troubles which persist at this time of the year usually are of an obstinate character. That is all the more reason why a truly reliable remedy like Foley's Honey and Tar Compound should be used. Mrs. Margaret Smale, Bishop, Calif., writes: "Foley's Honey and Tar is a grand remedy; more than is claimed for it. I was suffering from a cold last week and used the medicine and it acted like a charm." Contains no opiates. Jo Anderson, druggist, Chattanooga, Tenn.—(Adv.)

There's Nothing Like Owning a Home

Chattanooga is growing.

New industries and new people are coming here.

Yet few new houses are going up—that's because the government needs her builders and workmen on other work.

Sugar, shoes and clothes have gone up—so has everything else you eat and wear and use—

Except real estate—it hasn't gone up.

BUY A HOME!

With all these conditions doesn't it look as if buying a home at before-the-war prices was the one best bet?

The price of homes is bound to go up. You enjoy that increase in values if you buy now.

But beyond all that you get a home for your money instead of a bunch of rent receipts.

A home is an asset, a shelter for the days to come. A bunch of rent receipts isn't worth the match it takes to burn them up.

Just run that thought through your mind. Use your own good judgment. You don't have to run off and buy just any home. Look around and see if you can't find something that just fits your pocketbook and just suits your family.

Talk to any member of the Real Estate Exchange about it. Get informed on the subject. It's worth knowing about.
